

Big Fabric is a winning concept that gives your message great impact. Images are printed onto special fabric that stretches to form a completely smooth surface. The fabric is fixed to the structure, making setup a simple 1-minute task. It is very lightweight and is easy to transport.

The Big Fabric is available in both 8' and 10' versions.

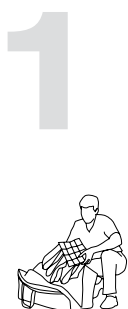

BigFabric comes with a nylon bag for easy transporting.

Options:

- Lights
- Wheeled case

Package Includes	Qty
