

Massive Flag Stand XL

The Massive Flagstand XL is a portable flag stand with a telescopic function, making it possible to vary the height up to 18' (5.5 m). The simple construction with very few loose parts allows simple transportation and makes the product fast to mount and set up. The Massive Flagstand XL comes in two versions – one with weighted plates and one with bags filled with water as weights.

- Very few loose parts fits into one bag
- Very fast to set up
- Base uses water bags or cast iron weights
- Telescopic flag pole that reaches up to 18' (5.5 m)
- Carefully selected materials to endure long outdoor use
